

Our Projects

➔ Camp Gateways

Matching gateways at Camps Horseshoe and Ware were constructed as our first project.

➔ Archery Range Building

A new archery range building was constructed by HSRAA at Camp John H. Ware 3rd.

➔ Parade Field Restoration

Via multiple phases of construction, HSRAA added a stone retaining wall, new flag poles, re-sodded / re-seeded the parade field, and added pathways.

➔ Picnic Grove Restoration

The Picnic grove had multiple excavation projects to build a berm, re-sodding and re-seeding to complete its beautification, including a new pavilion.

➔ Shower House Area Beautification

The Camp Horseshoe shower house and trash dumpster area was relandscaped and beautified by HSRAA.

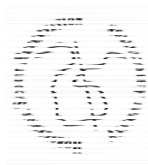

➔ Universal Signage

The HSRAA had sandblasted and painted signs for all buildings and campsites at both camps of HSR.

What is HSRAA?

Do you remember the sounds of reveille and taps echoing across Camp Horseshoe? The solemn pageants on Saturday night? The Sunday chapel service overlooking the valley of the Octoraro? Do you remember the fun of "Green Grow the Rushes," "Cock Robin", and "The Cat Came Back" in the Dining Hall?

When did you last step foot in the "Camp upon the Mason-Dixon Line"?

Are you like the many others who got the "dust of Horseshoe in your moccasins" and can't get it out?

HSRAA membership is open to anyone who has camped 1 or more nights at HSR and wants to help support its ongoing success. The purpose of the Alumni Association is to benefit both Camp Horseshoe and Camp Ware for many years to come.

Horseshoe Scout Reservation has an exciting future: always true to its long-standing traditions, but always striving for new levels of excellence. The Horseshoe Scout Reservation Alumni Association plays an important role in making this happen. We hope to hear from you, and we look forward to seeing you in the Loop of the Octoraro Bend soon.
