Dear Mailburro,

Your article on the computer camp held in New York was interesting. Your claim that this was the first BSA computer camp is probably incorrect. Chester County Council in Pennsylvania held a computer camp last year at Camp Jubilee from July 4th to July 10th. This probably precedes the one you mentioned by a few weeks (you did not mention a date). . . Keith Robison, Exton, Pa.

You've got us, Keith. The New York computer camp was held in August, therefore it was not the first as our story claimed. UU

Dear Flopears,

What happened to the "Nature" column? I liked it a lot. Could you put it back in the columns again? . . . Ricky Eldredge, Santa Rosa, Calif.

How about this issue, Ricky? UU

Dear Dopey Donkey,

In your December '81 issue you had a story called "Remember Pearl Harbor." When are you going to have another World War II story? . . . Robert Carlier, Batavia, Ohio.

We have one planned but not yet scheduled, Robert. UU

Dear Pedro,
I'm interested in electric HO model trains. Could you have an article on them, with lots of pictures? Do you know where I could get a catalog for electric trains? . . . John Shyloski, Longmeadow, Mass.

You'll like pages 72 and 73 in this issue, John. Check our advertisers for catalogs. UU

Dear Pedro,

In . . . January I read the article, "Leave Room for the Grizzly." . . . Will you have any more articles like it? . . . Shaun Burke, Green Bay, Wis.

Sure, Shaun. George Laycock, author of our grizzly article, has just finished another on the mountain lion. We'll schedule it as soon as we can. UU

Dear Hairy Haylover,

I would like to know if you can do an article on electronic games and picking the best cartridges for Atari and other computers. . . . Gerald Guanzon, Portsmouth, Va.

Look at "Electronics" (Pg. 10) and *BL* for December and January for all kinds of good stuff. Gerald. UU

Dear Pedro,

I have just finished reading the September issue of BOYS' LIFE and especially the article on Troop 1407 ["Is Your Troop this Good?"] in Michigan. And I would like to say that my troop is as good or better. . . . I am an assistant Scoutmaster of Troop 130, chartered to First United Methodist Church, Golden, Colo. . . . Stephen Michael Bobrowich, Henderson, Colo.

Oh boy, did we ever stir up Scouts and Scouters with that title. The letters and calls we received tell me our readers everywhere are proud of their troops. UU
